Your tasks:

1. Import a file to add symbols to your map:

- Select **Drawing Tools > Import** > select the file **antonine_wall_forts.csv**
- When prompted, select X field = Eastings, Y field = Northings, Projection = British National Grid.

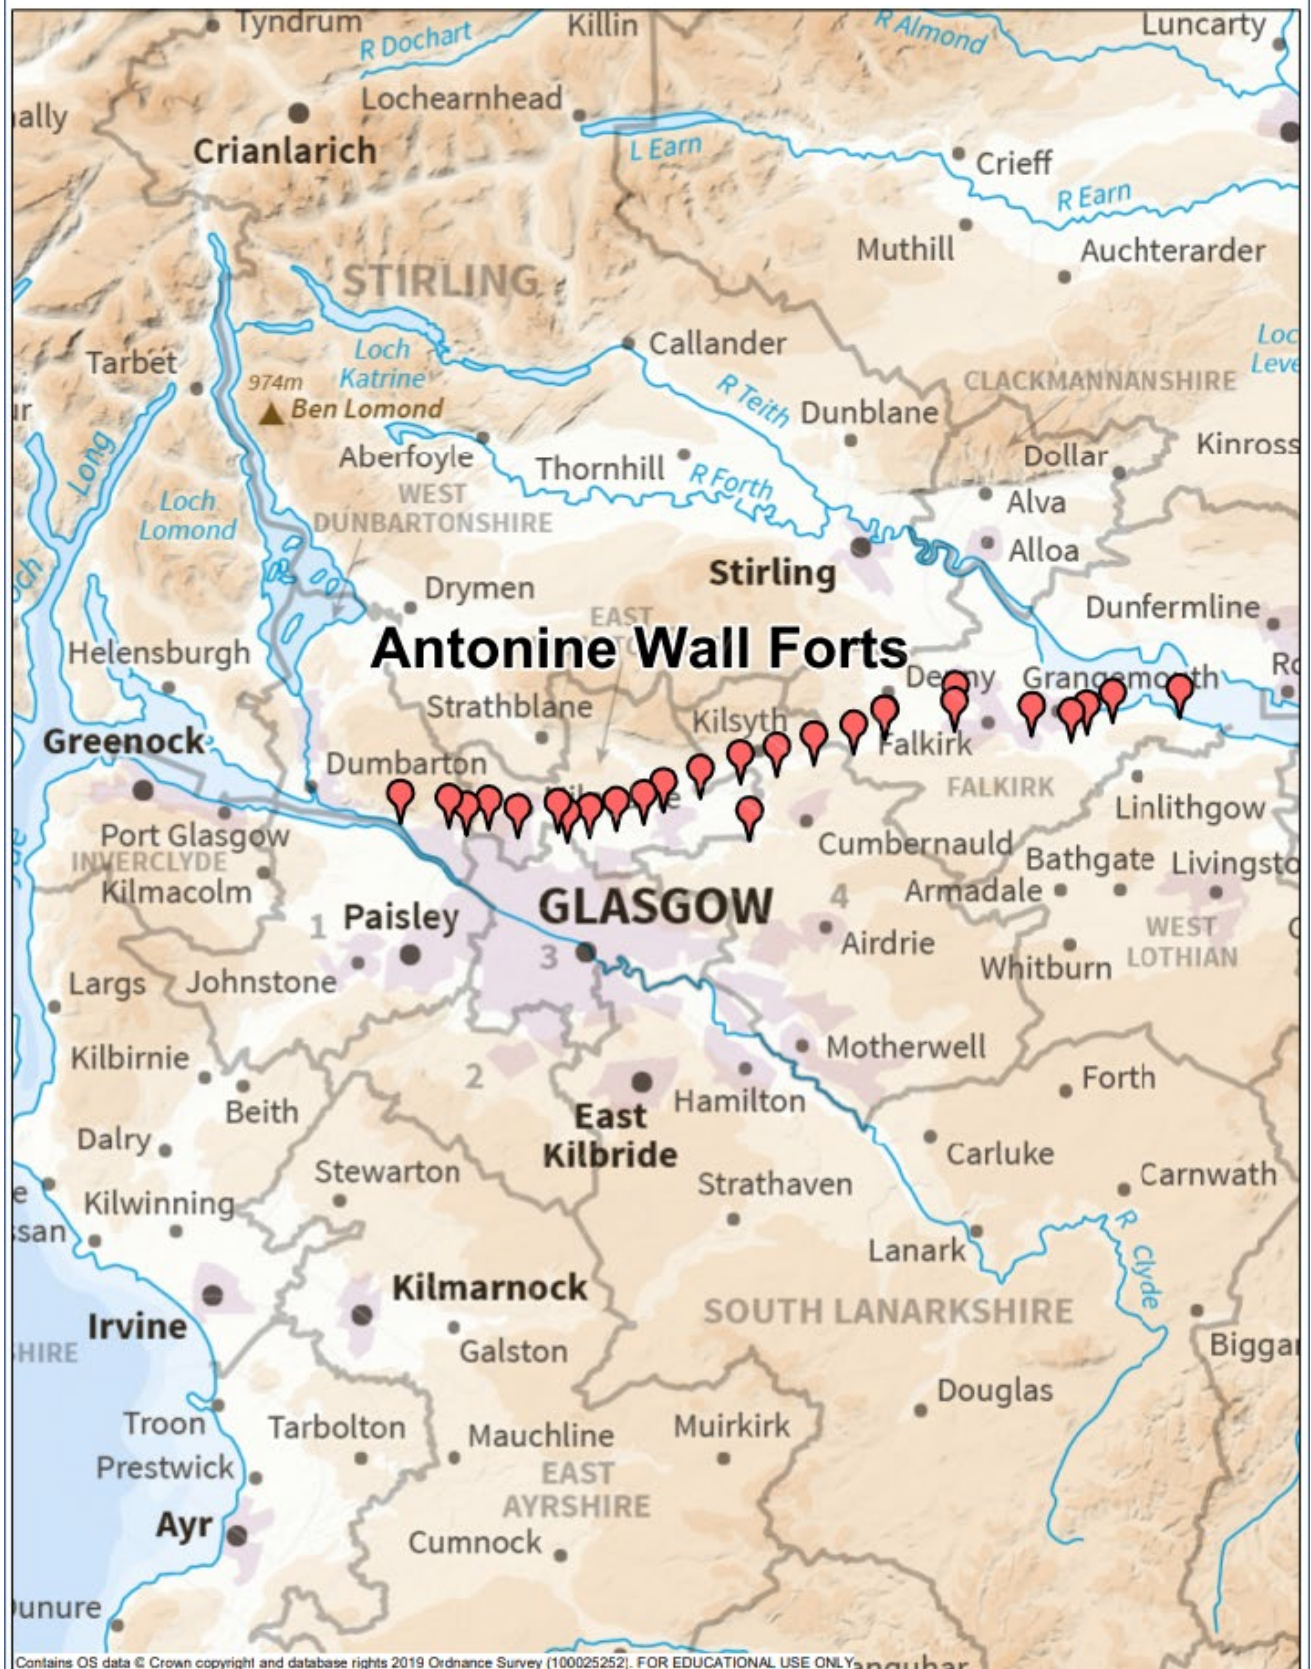

2. Add a text label, 'Antonine Wall Forts'- go to Drawing Tools > Create.

3. Basemap – try out different basemaps. We used Background, to make the symbols more visible.

4. Save your map – go to MyMaps > Save.

5. Print – create an A4 portrait PDF print file. Set the scale at 1:500000.
